
B. DEVELOPING CONVICTIONS

B.7: Developing a Life purpose *[2 Timothy 3:10]*

A STORY

The client asked the coach, “What do you mean develop a life purpose? How do I know what my life purpose is? I just want to live my life day by day and just enjoy the day as it is. Why would someone have to think about their whole life. The coach referred the question, “Why do you think we exist here on earth?” “How did we get here?” “If you are operating on the belief that we just evolved, then you don’t need a life purpose.” However, if you believe that we are created as the Bible teaches, then a life purpose aligns with the creator. The question that the coach pursued was “why did he create you? “
