
B.17: Being a Disciple of Jesus-Learning and growing in obedience to God's Word

[James 1:22]

A STORY

"I see many people who claim to be Christians all over the country who attend church less than two times a month. It seems like being a Christian and obeying God's word is not a high priority in their lives." Observed Tom as he viewed other Christians at work and in his neighborhood. He wondered if they were being obedient to the commandments of Jesus. He wondered if they were loving God with all their heart, their soul, their mind and their strength and their neighbor as their self. Then he reflected on his own obedience to God. He wondered and needed help in knowing how he was doing in being obedient to God and his word.
