
E. DEEPENING YOUR WALK WITH GOD/ INTMACY WITH GOD

*E2: I am able to get God's perspective on life,
politics, and the future.*

[Isaiah 46:10, Ephesians 1:10]

A STORY

Recently, in a small group, people expressed their fears about the new president and the liberal leadership that is going on. They were troubled by local government decisions. They found themselves turning to fear. The world situation and the threats to Israel made them feel like everything was falling apart. They wanted to get back to the old days.

Considering recent political situations some people have had a roller coaster ride of emotions. Some have had delight. Some have had fear. Some decided to hunker down and protect their family. What should we do?

DIGGING INTO THE BIBLE

"I know the end from the beginning says the ancient of days. My purpose will stand."

Ephesians 1:10 says:

"At the right time God will bring all things in heaven and on earth under one head even Christ."
