
E. DEEPENING YOUR WALK WITH GOD/ INTMACY WITH GOD

E.7: I am familiar with an "hour of power" [Matthew 26:40]

A STORY

When I was a young sailor on board ship, my Navigator leader asked me if I had heard a message by Fulton J. Sheen on "the Hour of Power." I said no. He invited me to listen to this preacher and I remember his message and some of the quotes.

"He said, did you know that I am not here to entertain you or educate you. I am here so you can experience the power of God." He then said, "I want you to know that I have power! He paused, then he said," Do you know why I have power?" He then said, "I have power because every day for the last many years I have spent an hour with God before his throne seeking His face and drawing on the power of God" He then referred to Jesus in Matthew 26:40:
