
G. ADDRESSING EMOTIONAL NEEDS

G.11: I want more Joy in my life

[Romans 15:13]

A STORY

How do I find more joy in my walk with God? Romans 15:13, Philippians 4:4, James 1:2-5
Many times, as I have been with believers they seem to have had the joy squeezed out them like the juice from an orange. All of life's experiences have pummeled them and there is little room for joy. This was an experience that was happening to Tom. He was having job challenges, marriage stress, raising children, and other various and assorted challenges. He asked about this and we went to several passages from the Bible.

DIGGING INTO THE BIBLE

Philippians 4:4:

"Rejoice in the Lord always and again I say rejoice."

James 1:2-5:

"Count it all joy when you experience various trials knowing that the testing of your faith brings about endurance..."

Romans 15:13:

"Now may the God of hope fill you with all Joy and Peace as your trust him, so that you can overflow with Hope by the power of the Holy Spirit."

I have found help using a book called *Joy and Journaling by Wilder*, the daily experience of journaling your thoughts and bringing the Lord's point of view into the experience. It is wonderful to know that he is with us in every experience and he wants you to record your thoughts and feelings and then let him speak to you about what he is seeking to do in your life. He is excited to see you! That always brings joy!
