How do you evaluate the moral character of people currently?
How about yourself?

L.1 I Understand what the Bible says about the Human Condition. Romans 3:19-24

A STORY On the campus of the University of Oregon a student was discussing the understanding of being a sinner. They pronounced that they were a good person and could not believe God would judge them harshly. The fellow student asked, “how many laws do we need to break to become a law breaker?” The answer was one. The question continued, “So if we break one law of God what does that make us?”

A law breaker was the answer. To understand more fully they went to the Bible to understand what this means. They looked at:

DIGGING INTO THE BIBLE

Romans 3:19-24

¹⁹ Now we know that whatever the law says, it says to those who are under the law, so that every mouth may be silenced and the whole world held accountable to God. ²⁰ Therefore no one will be declared righteous in God’s sight by the works of the law; rather, through the law we become conscious of our sin.

²¹ But now apart from the law the righteousness of God has been made known, to which the Law and the Prophets testify. ²² This righteousness is given through faith in^[a] Jesus Christ to all who believe. There is no difference between Jew and Gentile, ²³ for all have sinned and fall short of the glory of God, ²⁴ and all are justified freely by his grace through the redemption that came by Christ Jesus
