## C. STRENGTHENING CHARACTER

How does pride show up most in your life?  
In your journey, what have you learned about humility?

### C.7: I struggle with **pride** [James 4:6-11]

---

#### **A STORY**

Pastor Jose started his church 5 years ago, with 5 families. His warm spirit and teaching of the Bible has attracted many people, and the church now has 500 people attending. Pastor Joe looks around at other churches, and he enjoys a great feeling of success. He finds himself critiquing the other church leaders and speaks negatively towards other churches. He confesses this to his coach and wants help. He states, "I struggle with pride in my life."

#### **DIGGING INTO THE BIBLE**

Humility is a character quality that Jesus modeled, according to **Philippians 2:5** in the verse, "He thought it not robbery to be equal with God but humbled himself and became a man...." We are encouraged in our relationship with God that He delights in humility. What does humility mean? Humility is not to focus on self, but to focus on the value of others and see them as more important than ourselves. For example, **Philippians 2:3-4** advises, "Think not every man on his own things, but every man on the things of others." Jesus models his humility again in applying this priority. Moses modeled it in his care for the people of Israel. The book of James contains a great set of verses that give us a pathway to humility. Look at this pathway and then determine your current reality in pursuing humility. You may find a step that you want to focus on in your journey toward a deeper, more humble perspective. Let's look at the steps.

#### Commands from **James 4:6-11**:

*God is opposed to the proud but gives grace to the humble. Submit to God Resist the Devil, and he will flee from you. Draw near to God, and he will draw near to you. Wash your hands, you sinners. Purify your hearts, you double minded. Weep mourn and wail. Let laughter be turned to sadness and your joy to gloom. Humble yourself under the mighty hand of God, and he will lift you up.*

There seems to be several steps to Humility. Read through each of these steps. Begin by asking questions like the ones below to learn where you are in your journey of humility. Talk together about what obstacles stop you from moving to the next step. Discuss together the meaning of the term humility.
