

HOW TO USE THE COACH THE BIBLE WEBSITE...

This site may be used for your own spiritual growth, aiding in the growth of others, small group training, as well as Church leader foundations.

Coach the Bible has been designed to identify the Six key areas of the Spiritual Journey:

- [Spiritually Lost Stage](#) - [Assessment for Lost Stage](#)
- [Spiritual Infant Stage](#) - [Assessment for Infant Stage](#)
- [Spiritual Child Stage](#) - [Assessment for Child Stage](#)
- [Spiritual Young Adult Stage](#) - [Assessment for Young Adult Stage](#)
- [Spiritual Parent Stage](#) - [Assessment for Parent Stage](#)
- [Spiritual Grand Parent Stage](#) - [Assessment for Grand Parent Stage](#)

Notice above there are assessments for each section that help identify where you are at as well as the progress you have made.

We have also included 2 additional areas to assist in the growth individually and also as a spiritual leader

- [Spiritual Leader](#)
- [Emotional Maturity](#) – [Assessment for Emotional Maturity](#)

In each section, there are an introductory video, quiet times to explore that support important issues of that stage, amazing videos from our friends at [BibleProject](#) and relevant resources to help you along the way.

If you are serious about growing spiritually, we have a [Spiritual Health Inventory Training Guide](#) that lays out our suggested path and next steps along with areas to track your progress. Click the link above to download the guide.

Do you want assistance in implementing this with your Church leaders? We offer group training and one-on-one coaching. Take a look at our [Certified Coach Training](#) page or [Contact Us](#) directly.

Blessings,
